## Woodgrove Secondary School VIA x Sembawang Town Council Collaboration

**Photo Source:** Sayang Sembawang

As part of their Values In Action (VIA) initiative, students from Woodgrove Secondary School paid a visit to our cleaners in Sembawang Central and Admiralty Divisions on 18 October 2022, and even gifted them some hampers. The students took time to chat with our cleaners, interacted with them and learnt more about their daily work and job scope.

**Alibaba Family**

**Ordinary Burgers**

Highly raved by one of our residents, we made our way to 乐厨Alibaba Family, which is a popular zi char spot among the lunch crowd. Serving a variety of zi char dishes, we tried their Signature Seafood White Bee Hoon (starting from \$6.50), as well as their chili cockles and their 4 combination vegetables with sambal. The food was flavourful, and the chili cockles were well-seasoned and goes extremely well with garlic. You can also plan a visit at night as they serve lok-lok at night, making it a perfect supper spot.

Good news, Ordinary Burgers is in the North! Located at **Sun Plaza Basement 1**, Ordinary Burgers serve made-to-order premium gourmet burgers! We had a taste of the buttermilk chicken burger and the impossible burger, as well as fries and a drink. We preferred the buttermilk chicken burger as the patty is crispy and juicy, and the sauce had a sweet tangy flavour that made it unique and distinctive.
