

Dear \$[FNAME]\$,

Many new exciting developments and events happened in our town the past few weeks!

We held the reopening of Montreal Green Park together with Sembawang Central's Tree Planting Day. We hope residents will enjoy the new and improved facilities.

Phase 3 of the Thomson-East Coast Line (TEL) is now open, bringing more convenience for our residents.

In the past two weeks, Admiralty and Sembawang West also held their annual Tree Planting Day. We thank our residents and community for their support to #MakeSembawangGreen

## Montreal Green Park Reopens!

**Photo Source: Sayang Sembawang**

Last Sunday, Montreal Green Park reopening event was bustling with activities and many residents in attendance! The weather was perfect and the park came alive with the ongoing activities!

MPs Mr Ong Ye Kung and Mr Vikram Nair were also there to officiate the event.

## Deepavali Celebrations in our Town

### Woodlands

**Photo Source: Ms Mariam Jaafar's Facebook page**

On 6 November 2022, Woodlands had very fun Deepavali celebration with MP Mariam Jaafar. With colourful song and dance performances, food, laughter, and children dancing spontaneously, it's no surprise why!

### Sembawang Central

**Photo Source: Mr Ong Ye Kung's Facebook page**

Sembawang Central residents were able to gather for their Deepavali celebration this year! It was held at a pavilion instead of the Community Club as it was converted into an infant vaccination centre. Regardless, residents had a good time with entertainment and activities planned for the celebration.

## Woodlands Kindness Day

**Photo Source:** Ms Mariam Jaafar's Facebook page

Woodlands just held their second Woodlands Kindness Day in conjunction with World Kindness Day. This year they reached out to families who have been affected by inflation (big families, retirees etc). A big thanks to Woodlands Community and friends for your donation.

## #EatWhatFriday

D豆U

**Photo Source:** Sayang Sembawang

Here's another recommendation by our resident! Located at 7 Stars Coffeeshop at Blk 693 Woodlands Ave 6, this Halal Yong Tau Foo is a popular spot among the lunch crowd. D豆U has many ingredients for you to choose from, and had the regular soup base, tom yam, laksa and even mala for your selection!

We liked that they separated our fried items with the non-fried ones, so it doesn't get soaked in the soup. The portion was just nice for us, priced at \$4.80 for 5 ingredients + noodles/ rice.

Grab Kitchen at Nordcom II

**Photo Source:** Sayang Sembawang

For our last #EatWhatFriday, we couldn't agree on what to eat for lunch, so we decided to just get different food from Grab Kitchen at Nordcom II to share with everyone. We had the braised meat rice from Fong Sheng Hao and Grandma's Pig Trotters Rice. The serving from the latter is quite big, so it's the best time to share it with your friend or family!
